Choice of Courses for S3 moving into New S4 Pupils – Kyle Academy 2023-2024 – NOTES

1. Young people must choose 1 subject choice in each of the Columns - six subjects in total with a back up subject – reserve choice. **If an Option form is not returned or returned incomplete the HOY and Guidance staff will make a selection for you based on your latest school report.**
2. In order to ensure the most efficient use of staff, classes with uptake of below 10 pupils are unlikely to run. In such situations, we may be able to amalgamate certain courses, but in other cases, pupils may have to select an alternative subject. In the first instance the Back Up Subject choice will be used.
3. A young person in S4 may wish to undertake Higher Level learning in S4. If this is applicable to you please speak to your Guidance teacher to discuss before entering this on your form.
4. College courses are timetabled in columns E and F, please speak to your Guidance teacher if you wish to apply for a School / College course 2 afternoons per week if you have a specific career pathway in mind. **Applications are now open for Ayrshire College** school partnership courses, see Ayrshire College website for further details at [Ayrshire College](#)
5. Option form must be returned to the school office **at the latest by Thursday 9th March 2023**. We cannot guarantee to give the same priority consideration to forms returned after this date.
6. **No further change requests will be able to be made to individual selected option choices after 09/03/23 unless in exceptional circumstances.**
