School Calendar

Please find attached a copy of the school calendar for 2024-25 with key dates for your diary. This includes dates for reports, parents' evenings, information evenings and school holidays. You will also find the calendar on our website [here](#).

School Uniform

Uniform is an important part of our school identity and adds to the purposeful, calm learning environment we enjoy in our school. Almost all our pupils wear their uniform with pride and look very smart. We thank you for your ongoing support with this. We have a supply of school uniform items for anyone who needs them. Please contact the school office who will be happy to help.

School Meals

Our school meals are popular with our young people. Information about weekly menus, nutrition and allergens, how to make payments or how to preorder with the VeriCool app can be found on the website [School meals - South Ayrshire Council \(south-ayrshire.gov.uk\)](#). If you want to know more or find out whether your child may be entitled to free school meals, please contact the school or visit the website [here](#).

Road Safety on Overmills Road

A reminder that there is restricted vehicle access to the playground after agreement with South Ayrshire Council. This is due to considerable concerns about the volume of traffic in the school playground at the start and end of the day which compromises the safety of our young people. **There is no vehicle access to the school playground between the following times.**

- **8.15 – 9.00 am** every day
- **3.15 – 4.00 pm** Monday and Tuesday
- **2.30 – 3.15 pm** Wednesday to Friday

In addition, congestion on Overmills Road around the school entrance in the mornings and at the end of the day poses a safety issue for our young people and causes significant upset to local residents.

We ask parents/carers to avoid driving into Overmills Road if possible. Instead, drop off further from the school, for example, Holmston Road, and let your child walk the remaining distance to school.

Police Scotland have advised that the following can be viewed as dangerous driving and should not happen under any circumstances.

- **Using the school entrance to turn**
- **Reversing back into the school entrance**
- **Doing a u-turn on Overmills Road**
- **Ignoring the 20 mph speed limit on Overmills Road**

I know that you will appreciate that these requests are for the safety of our pupils and our local community. If there is a reason your child requires to be dropped off in the school playground then please do not hesitate to contact us to make suitable arrangements.

Parentsportal

Can I ask that you return the annual data check forms if you have not already done so? This enables us to update our records and make sure we have accurate contact information and consent forms.

Have you signed up to Parentsportal? The uptake in the school has been really good which is great as this will allow information to be shared much quicker and reduces the need to send things home in schools bags. Find out more info and register here - <https://www.south-ayrshire.gov.uk/parents-portal>

Parent Council

Our Parent Council meets on the last Tuesday of every month. Everyone is welcome to join the Parent Council or just attend meetings when they are able. More information can be found on our website [here](#) where you will also find minutes of our previous meetings and Head Teacher reports. **The first meeting of this session will take place on Tuesday 27 August at 7pm. Please come along, you will be very welcome.** Our first meeting will be an informal gathering with refreshments and a chance to meet some staff and other parents and agree some of the topics we will look at this year.

SQA Exam Results

Congratulations to all our pupils who sat SQA examinations before the summer. Once again, our attainment results at National 5, Higher and Advanced Higher are very good and some of the strongest results in South Ayrshire Council. Well done to everyone for all their hard work.

I am looking forward to another successful school year ahead. Please do not hesitate to contact the school at kyle.mail@south-ayrshire.gov.uk if you have any questions or concerns.

Best wishes

Mary Byrne
