<p>Reliable evidence, with high predictive value, has been generated from opportunities our young people had to apply the skills, knowledge and understanding they have learned from the course in unseen situations (December diet and May diet) . To reach final decisions a holistic review of each candidate’s performance has taken place - with a focus on the pupil’s best performance in each of the four key pieces of evidence.</p>					<p>A holistic review of each candidate’s performance has taken place - with a focus on the pupil’s best performance in each of the four key pieces of evidence.</p>
