Choice of Courses for S5/6 Pupils – Kyle Academy 2022-2023 – NOTES

1. S5 Pupils

S5 Pupils should select 6 options on from each column. Please note an additional back up subject. If an Option form is not returned or returned incomplete the school will make a selection for you based on your latest school report.

2. S6 Pupils

S6 Pupils should select a minimum of 5 Courses. **Four subject selections should be for SQA full qualifications** (the only exceptions if for those selecting 3 Advanced Highers). **One course should be selected from the S6 Achievement Bundles.**

3. Courses run in partnership with Ayrshire College are subject to change. Pupils have to make their own travel arrangements to attend College Courses. Applications open mid January 2021 for Ayrshire College school partnership courses, see Ayrshire College website for further details at <https://www1.ayrshire.ac.uk/schools/what-is-a-school-college-course/> If you wish to make an application please let your Guidance teacher know as help is available for you to complete the application process.
4. In order to ensure the most efficient use of staff, classes with uptake of below 10 pupils are unlikely to run. In such situations, we may be able to amalgamate certain courses, but in other cases, pupils may have to select an alternative subject. In the first instance the Back Up Subject choice will be used.
5. Advanced Higher Courses are delivered in partnership with other South Ayrshire Secondary Schools (Consortium arrangements in the travel columns E and F) and through the South West Regional Collaborative (schools in South, North and East Ayrshire and Dumfries and Galloway **delivered online**). AH courses in E and F delivered by consortium may be liable to change column to suit the host school.
6. All option forms must be returned to the school office by Friday 4th March 2022.

No further subject change requests will after your option form has been signed and returned unless in exceptional circumstances.
