

Trips

There are lots of different trips taking part throughout the year such as skiing in Italy with the PE Department and a visit to Paris with the Art Department.

In first year we have a 'Big Day Out' each year which offers pupils the chance to try lots of different activities such as paintball, rock climbing, sailing. On this day there are also visits to places like Edinburgh Zoo and M&Ds theme park.

Food

At Kyle there are lots of choices of food. There are lovely sandwiches, hot meals and snacks in our cafeteria. Some pupils go to the nearby shops but it is better to stick to school meals as they are much healthier and you won't get into any trouble.

Merit System

Good behaviour is rewarded to pupils through this scheme in the form of trips/activity days and 'The Big Day Out.' If you do not have enough merits then you don't get to go!

Guidance Teachers

Every pupil in first year has a Guidance Teacher who is there to help sort out any problems or worries that you might have e.g. bullying. The stories of pupils having their heads flushed down the toilets are rubbish. Believe us!

Moving from P7 to S1

'A Survival Guide'

Kyle Academy Cluster Group

This leaflet was produced with the help of some of the pupils who come to the Pupil Support Department.

USEFUL INFORMATION

The School Day

	Monday	Tuesday	Wednesday	Thursday	Friday
Start	8.45am	8.45am	8.45am	8.45am	8.45am
Lunch	13.20 - 14.00	13.20 - 14.00	12.20 - 13.10	12.30 - 13.10	12.30 - 13.10
Finish	15.40	15.40	14.50	14.50	14.50

The Headteacher is Ms Byrne

The Year Head for first year is Mr Gardner

Guidance Teacher

Belleisle - Mrs Dorrans

Craigie - Mrs Mahaffy

Wallace - Mrs Fergusson

Rozelle - Mrs Boal

The Pupil Support Department which is managed by Mrs Quigley offers help and advice for all pupils who may be experiencing difficulties of any kind.

Subjects

In first year you will have a lot more subjects (15 in all).

Subjects like Art, PE, Home Economics and Technical are fun and interesting. You make lots of things like a key fob and a game boy pouch.

Extra Curricular Activities

In Kyle there are lots of clubs and activities. Some examples are: badminton, school choir, football, basketball, running group, friendship group, a Glee club, computing, debating, art club and so much more.

Homework

When you come to Kyle you will be given a Homework Diary to help you remember to do your homework. Most of the homework is quite easy, you just have to be organised!

Getting Around The School

Kyle is an easy school to find your way around. It is much bigger than your Primary School and you might think you will get lost but don't worry; the sixth year prefects will help you to find your way around.
