Friday		Social Subjects History support available	Spanish Teacher support available	Maths	Science	Creative Arts Support for Music and Art ; PE support (2.15 to 3pm)

- During these times, you should be logged on to Teams and complete the learning and assignments set by your teacher for their subject
- A subject specialist teacher is available to help you where it says *Teacher support available*
- Any live lessons or drop in sessions will take place at these times (check your MS Team to see which staff will be available and what the session involves)
- If you do more than one subject in a column eg Chemistry and Physics in the Science column, split the timetabled sessions over the two subjects. Make sure you attend any live sessions especially if it is a subject you need help with.
